## Paris 9 HÔTEL OPÉRA

Member of a collection made up of three addresses located in very strategic places in the capital, this new 3-star Parisian boutique hotel is proof that the French hotel industry is still capable of surprising us.

A member of a growing French hotel group in Europe, 9 Hotel Opera completed its last renovation phase in 2015. This 3-star boutique hotel, located in the 9<sup>th</sup> arrondissement, in the heart of the capital, today has 48 rooms...

### A COLLECTION HOTEL

Around fifty rooms that complement the Parisian offer of 9 Collection Hôtel, a group created by a property development company. Suffice to say that when it comes to real estate, Tagerim knows it all! Already in his portfolio: nine 3\* and 4\* boutique hotels in Brussels, Lisbon, Madrid and Geneva, in addition to his three Parisian addresses particularly well located and central, but also in Montparnasse (see box) and République.

### THREE BY THREE = NINE

Giving each establishment a clean trendy identity; this is the wish of those in charge of this group who do not want to fall into anonymous and impersonal hotels. But an atmosphere conducive to serenity and relaxation with a modern design, sober and thoughtful down to the smallest details.

### LONG LIVE COMMON AREAS

Want to stroll in the lobby or lounge rather than stay confined to your

room? The elegant and quality materials give the reception areas a "Home away from home" atmosphere that is particularly successful... Reading from the shelves of the library, sipping a drink (Le 9 Bar even has Happy Hour!),

Tea or coffee, leafing through a magazine, comfortably coiled in a sofa or club chair... You feel right at home.

A collector's spirit...

### ROOMS FOR ALL

The rooms of the hotel range from category "Single" to "Family Club",

An atmosphere conducive to serenity and relaxation with a modern design, sober and thoughtful down to the smallest details.

### My cabin in Montparnasse

Fleuron of the collection, the hut of 9 Hôtel Montparnasse conceived as a "love suite" isolated in the vegetable courtyard. The Parisian lovers (or just lovers) love the place that does not disembark from one weekend to another – reservation essential! All wooden with a two-seater shower, a bottle of champagne and a love box offered, this cocoon accommodation is unique for a bucolic and romantic experience in the heart of Paris.

to benefit from a space of up to 35m<sup>2</sup>... In Paris for business? The hotel has a business corner & co-working space (on-demand meeting room for guaranteed reservation) but also an express breakfast formula for hurried guests – planes and trains do not wait! And, of course, high-speed fiber Wifi to stay 100% connected...

#### AN EXCEPTIONAL SITUATION

Its pretty address (14, rue Papillon) allows the guests of the 9 Hôtel Opéra to enjoy Paris, since grand boulevards and their surrounding showrooms are nearby while being in a quiet street of a typical Parisian neighbourhood.
